# RE-AUTHORIZING AMAZON ALEXA WITH SHAREMYCOOK
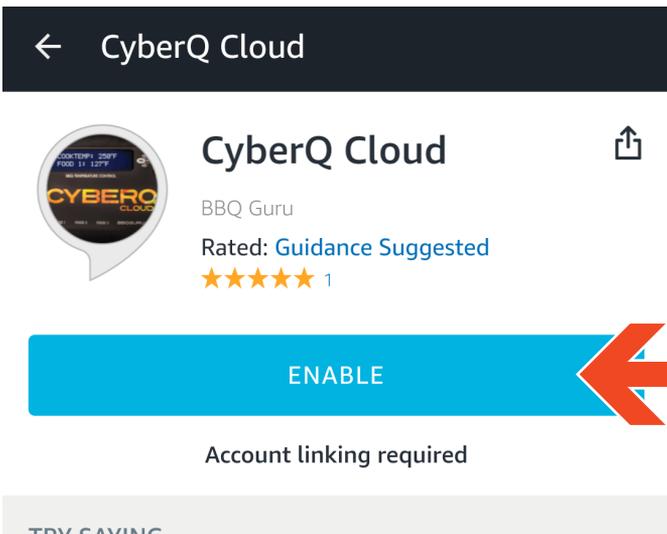

Open your Alexa app (or the desktop version at alexa.amazon.com), click the Skills menu option. Click on "**YOUR SKILLS**". Select the CyberQ Cloud skill and select "**DISABLE SKILL**"

**1**

Search ALL SKILLS for "CyberQ Cloud", select it and click "**ENABLE**"

**2**

If your email address already appears where the arrow is pointing, click on it and select the "Logout" option, otherwise, skip to step 4.

**3**
